Highlight #3: Biblical Faith From Within is Beyond Doubt
<https://www.youtube.com/watch?v=OdNHgByzcpw>

“Noah was a righteous man, blameless in his generation. Noah walked with God.” Genesis 6:9

“When Abram was ninety-nine years old the Lord appeared to Abram and said to him, ‘I am God Almighty; walk before me, and be blameless,’” Genesis 17:1

What does it mean to Walk with God?

It does not mean to have the intellectual understanding of the workings of God. No, I am walking with God . . . is like a dance . . . *What does that mean?*

(defined) Torah law is the same word for Walk, Jewish law is not called any of the legal terms; Jewish law is called “the walk” . . . here we uncover the essences of Faith as it should be understood and lived according to the *Scriptures*. . . to live with *faith* is no only to live in action, but it is to live faithfully . . .

. . . *(the root of faith is) Emunah “Faith”, Emun “Practice”, Ne’eman “Loyalty”* . . . Biblical faith directs us towards a living relationship with God, that’s the essence of Covenant; in relationships there is moments of intimacy, there is moments of distance, highs, lows, relationship is real, its dynamic, but to walk with God, to be wholehearted is to be “loyal” in our encounter with God. We align ourselves with that Vision, in that direction, and then the walk begins. One step at a time. We do not have all the answers. There is so much unknown, so much mystery, but we are always given enough to take the next step . . .

Let’s look at the word “Israel”. Inside the word “Israel” is “struggle”, but the word itself “Israel” is made up of two words, one is “Straight” and then you have “God”, so think about what that is saying to us, what is it to live by the faith of Israel; it is to put God up in front of our Vision, and then “Straight”, we have a path, we have our eyes set on the Kingdom of God, our highest ideals, our values that will never be corrupted, we will . . . live out our lives with Laser like Focus, “Straight” ahead.

The default of this world is struggle, and the definition of Israel is to “Struggle and to Prevail”, we have the keys, how to persevere in the hard times and prevail . . . we have been gifted . . . “Israel” . . . we are going to be challenged and pushed to the ends of our limits and beyond; and that seems to be one of the fundamental purposes of life . . . to grow beyond ourselves, in the struggle I become more than who I am, maybe that is the purpose here, to become more than who you are . . . that is why Israel is called “to embrace the struggle, to embody the struggle”, when you prevail you emerge triumphed, you emerge greater and stronger. A life of *Faith* is not something that you can just casually say, “*I believe*” . . . that is not going to last, Biblical “Faith”, you contend with the world, you struggle with the world, you struggle towards God, you struggle with yourself, and in the struggle you discover your strength, you discover your character, your inner value, you discover yourself; the challenges of life are going to hit us and there is nothing we can do about that, but in confronting the suffering of life, you can do something honorable, admirable, knowable, worthy, glorious, powerful, helpful, upright . . . right there, that is the light of Israel . . . in that struggle you can bring the light of those amazing gifts to the world. *Faith* is not trying to convince yourself of the existence of a transcendent power that you can believe in . . . that is a cognitive approach to faith, that is the approach to solving a scientific problem. The prophets were not scientists . . . I do not believe that I love *God*, I live my love *for God*, and out of my loyalty, and action a deeper relationship is developed. *Faith* is a life committed to action, to love . . . a covenant . . . God makes a covenant with us. . . a covenant is a commitment . . . to be committed in practice, in action, to be loyal in your life, that is the root of what the word means, it means “Loyal”, it is to be loyal to the internal calling inside of you . . . there is a calling inside of all of us . . . God’s law is written in our heart if we just open it up and look in . . .

What did Abraham have, “a Calling”, a move away from organized religion, and it is a return to a relationship, a return to a simple pure wholehearted “walk with God” . . . walking and living in alignment with God . . . with the highest ideal you could imagine . . . that is *Biblical Faith* . . . to live life with love as your driving force, with unshakable character, and the courage of Joshua to struggle and prevail and conquer the land of Israel . . .

. . . we have no idea how much power you will discover in your walk through life as you start aiming towards the higher good, and in pursuit of your highest self, and in pursuit of the ultimate good, that’s where you will find the meaning in your life, when you start living with character, and you start walking with God aligned with your ideals, good things will happen, you will be blessed . . .

. . . that does not always mean you’re going to succeed in every endeavor or in every project, but Committed, living Committed to “walking with God”, ensures that every day in pursuit of that goal you will be blessed, even if the goal is never accomplished. Everyone needs to take a strategy of how they are going to live life, this is the Biblical Strategy, this is the “Biblical Walk”, to walk uncompromisingly, “Straight with God” . . . that is the Deeper Meaning of the Biblical Promise:

“He who Blesses Israel will be Blessed” - *(meaning) If you live a life committed to manifesting the ultimate good, committed to building Zion, you will attract good into your life, that is the essences of what it means to walking with God. To live in the Walk. We have a covenant, and a commitment to the ultimate good. We have temptations to our right and we have self-doubts to the left, and Biblical Faith is to walk in alignment with that Vision no matter. That is the essence of loyalty to the King.*

And as we come closer to fulfilling our destiny; our destiny’s intertwine collectively, believers from around the world come together and we share these ideas, that this is not about religion, I mean religion, I guess, is what brought us together to right to the very edge of the land of Israel, right to the edge of the desert, right to the very edge of this new stage in world history. What is that next stage, the Law is going to be written on our hearts. What does that mean? It is a mistake to say that this is a prophecy that has already been fulfilled, it must be fulfilled again, it must be fulfilled in our generation. That’s the message. Open your heart. There is like a place inside of you that is calling you to be a higher being, and

if all of us hear that calling, if all of us live by that, we manifest a joint destiny that all of us are collected to. From the mountains of Judea to the Colorado Rocky's, it's like one destiny, a House of Prayer for all Nations, that will be a Blessing for all Nations. So, "to walk with God", may our Walk direct us to that ultimate Prophetic Vision.

. . . So, in these times of struggle, and we think about where we have come from . . . to live the day that we would be able to share the Torah with the World. To bring us to the next stage in Biblical History, the next stage in Biblical Prophecy. And here we are rebuilding the virtual house of prayer . . . as you have chosen to . . . aligned with His purpose, aligned with His land, aligned with his Torah, may we all walk whole heartedly with God, all the way to a new rebuild Jerusalem . . . *Jeremy Gimpel, The Land of Israel Fellowship*
